### **Notice of Privacy Practice**

THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU MAY OBTAIN ACCESS TO THIS INFORMATION.
PLEASE REVIEW IT CAREFULLY.

#### Uses and Disclosures

- > Treatment. Your health information may be used by staff members or disclosed to other healthcare professionals for the purposes of evaluating your health, diagnosing medical conditions, and providing treatment. For example, results of laboratory tests and procedures will be available in your medical record to all health professionals who may provide treatment or who may be consulted by staff members.
- ➤ Payment. Your health information may be used to seek payment from your health plan, from other sources of coverage such as an automobile insurer, or from credit card companies that you may use to pay for services. For example, your health plan may request and receive information on dates of service, the services provided, and the medical condition being treated.
- ➤ Healthcare Operations. Your health information may be disclosed as necessary to support the day-to-day activities and management of **Ironwood Physicians PC.** For example, information on the services you received may be used to support the budgeting and financial reporting, and activities to evaluate and promote quality.
- ➤ Law Enforcement. Your health information may be disclosed to law enforcement agencies, without your permission, to support government audits and inspections, to facilitate law enforcement investigations, and to comply with government mandated reporting.
- ➤ Public Health Reporting. Your health information may be disclosed to public health agencies as required by state law. For example, we are required to report certain communicable diseases to the state's public health department.
- > Research. We conduct clinical research here. Our clinical research staff may look at your health records as part of your current care to determine if you may be eligible for any research studies being done at our facility. All patient research conducted at Ironwood Cancer & Research Centers goes through a special process required by law that reviews protections for patients involved in research, including privacy. We will not use your health information or disclose it outside of Ironwood Cancer & Research Centers for research reasons without getting your prior written approval or determining that your privacy is protected.
- ➤ Other uses and disclosures require your authorization. Disclosure of your health information or its uses for any purpose other than those listed above requires your specific written authorization. If you change your mind after authorizing a use or disclosure of your information, you may submit a written revocation of the authorization. However, your decision to revoke the authorization will not affect or undo any use or disclosure of information that occurred before you notified us of your decision.

#### **Additional Uses of Information**

Appointment reminders. Your health information will be used by our staff to send you appointment reminders.

Information about treatments. Your health information may be used to send you information on the treatment and management of your medical condition that you may find to be of interest. We may also send you information describing other health-related goods and services that we believe may interest you.

#### **Individual Rights**

You have certain rights under the federal privacy standards. These include:

- The right to request restrictions on the use and disclosure of your protected health information
- The right to receive confidential communications concerning your medical condition and treatment
- The right to inspect and copy your protected health information
- The right to amend or submit corrections to your protected health information
- The right to receive an accounting of how and to whom your protected health information has been disclosed
- The right to receive a printed copy of this notice

#### Ironwood Physicians, PC offices

We are required by law to maintain the privacy of your protected health information and to provide you with this notice of privacy practices.

#### Right to Revise Privacy Practices

As permitted by law, we reserve the right to amend or modify our privacy practices. These changes in our policies and practices may be required by changes in federal and state laws and regulations. Whatever the reason for these revisions, we will provide you with a revised notice of your next office visit. The revised policies and practices will be applied to all protected health information that we maintain.

#### Requests to Inspect Protected Health Information

As permitted by federal regulation, we require that requests to inspect or copy protected health information be submitted in writing. You may obtain a form to request access to your records by contacting the Privacy Officer.

#### Complaints/Contact Person

If you would like to submit a question, comment, or complaint about our privacy practices, you can do so by sending a letter outlining your concerns to:

Privacy Officer/Administrator Ironwood Cancer & Research Centers 695 S. Dobson Rd. Chandler, AZ. 85224

If you believe your privacy rights have been violated, you should call the matter to our attention by sending a letter describing the cause of your concern to the same address. You will not be penalized or otherwise retaliated against for filing a complaint.
